This Ocean Voyager 78 is the most stylish and aerodynamic catamaran chartering the waters of Ibiza and Formentera.

This specially adapted French design has unique black sails, metallic grey exterior and LED-underwater lighting, perfect for any Ibiza event.

The extensive main deck space is equipped with all the essentials, bar, DJ booth and various chill out areas. Below deck the kitchen area allows for on board catering.

This is highly recommend for your event, along with an open bar or inclusive drinks package. The transformation from dining area to dance floor takes a matter of minutes. Finally to complete this experience, treat your guests to the use of the latest in water sports equipment, flyboarding!
