Watch the waves beneath you as you relax on this 75ft beast of a catamaran. Tonnes of space for up to 95 guests. The light, narrow hulls slice the sea with little resistance and enormous stability. The space, the speed, the level ride, the comfort. We suggest onboard catering for larger groups. We can also arrange a fully stocked bar. (*Morning rental 10.30am-3pm/ afternoon rental 4-8.30pm.)
