CAN HOLLYWOOD

DESCRIPTION

Owned by the founder of Universal, many famous faces have stayed at this house, including Gene Kelly, Ronald Reagan & Alfred Hitchcock, hence the name Can Hollywood.

This property has recently been completely renovated and features en suite bathrooms to all bedrooms, a professional standard kitchen, rooms, an underground private club room, chill out room, dining room and roof terrace.

Access to the property is gated and the driveway includes a beautiful fountain area turning circle. The ground floor level terrace with dining area overlooks the sea. There is a small swimming pool to the side of the villa and stairs lead to a large roof terrace, floored with wooden decking, where there is a bar and dining area, as well as a BBQ and day beds.
